Little Sioux Scout Reservation:

Please find enclosed checks totaling \$1,000.00 in support and assistance in the rebuilding of the Little Sioux Scout Ranch. The contributions come from the parents and scouts of Our Lady of the Presentation Troop 391 in Lee's Summit, MO.

Our contribution serves as testimony to our resolve to support each other in scouting and to serve our scouting community as individuals and as a troop. Our thoughts and prayers go out to the parents of the boys who were injured or killed by this sudden severe weather incident and hope in some small way this contribution shows tribute to them.

Yours in scouting,

Philip Spitznagle
